too. MORE FROM QUESTIONSANSWERED.NET Thus begins a story in which our protagonists will meet and love will begin to emerge. Keeping those aspects in mind, these are the top 10 gaming computers to geek out about this year.CorsairOne i160:The Corsair i160 is one of the most popular gaming PCs. It offers beautiful graphics in 4K and fast core processor speeds. This quiet, powerful gaming system will wow you with its speed, design and high definition. Finally it will be discovered that Beast is a beautiful prince and his servants are also people of flesh and blood but under a great curse that will only be broken with a kiss of true love. One day, his father goes deep into the forest and runs into a large castle, where the Beast lives and meets his servants, objects such as candlesticks, clocks, cups and much more household items that are capable of speaking. This tiny tank packs a punch and is designed for portability. Multi-functional in design, this sleek computer can handle all modern games with the feel of a home desktop computer.Inspiron Gaming Desktop 5680:The Dell Inspiron 5680 is perfectly designed for plug and play. Bella will go to her father's rescue and will convince Beast to exchange her for her father since he is sick. Although higher in price than most gaming computers, the Aurora R7 is one of the most affordable options from Alienware.Area 51 Threadripper Edition:Sometimes power comes at a cost, as does Alienware's Area 51 Threadripper Edition. It all starts with Bella, a young girl and passionate about reading who lives with her father. It's highly customizable and boasts impressive hardware options. This computer isn't made for overclocking, however. Much like the Tower Special Edition, the Inspiron 5680 is designed with modernity, affordability and comfort in mind. The Beast when he discovers the intruder gets very angry and locks him in his dungeon for having dared to enter his domains.
